

🎵 🎵 Live Music for Abingdon Club Nights 🎵 🎵

From January 2018 on occasional Abingdon Club nights we will be dancing to music provided by Ian Muir.

Ian and his popular band, Craigellachie, are well known to all who attend dances and day school events in South East England.

As a solo musician Ian has played the accordion for classes and day schools and has been a member of the Summer School at St Andrews staff for the last 6 years.

He is the current Musical Director of the Royal Scottish Country Dance Society.

We are delighted that he has agreed to play for us.

**Live music nights next term will be
Mondays 29th January, 26th February, and 26th March**
